

The 'curious' travel to see something different - the 'noble' travel to create something different - the 'aware' travel and become something different

The Chem Chem Association is devoted to securing the future of the area by uplifting the surrounding rural communities through sustainable development and through projects to conserve the greater Tarangire eco-system. All tourism profits are ploughed back into protecting the land, its wildlife and communities for a sustainable future.

Every guest staying at Chem Chem makes a difference in the lives of many. Should guests be interested in a safari with a difference, they can get involved in the following ways:

PRIOR TO YOUR STAY: TAKE THE FIRST STEPS	DURING YOUR STAY: BE IMMERSSED	STAY INVOLVED: BECOME THE DIFFERENCE
<p>HELP FROM HOME.</p> <p>Guests can make an impact in the community by saving just a few kilos of space in their suitcase and donating any of the following supplies for the local schools</p>	<p>ACTIVITIES AND EXPERIENCES WITH A CAUSE.</p> <p>We offer a variety of activities for guests to get involved and make an impact. The involvement can be tailor-made to the guests requirements (with pre-notification)</p>	<p>BE AN AMBASSADOR FOR CHANGE</p> <p>Our commitment to the community and the wildlife continues even after our guests go home. We welcome you to stay involved in our two areas of focus</p>
<p>GENERAL SCHOOL SUPPLIES:</p> <p>Book bags, chalk, crayons, erasers, handheld pencil sharpeners, markers, pencils, pencil cases/bags, pens</p>	<p>CONSERVE AND PROTECT: ALL CAMPS</p> <p>Walk along the lake shores, observe the bird life, while collecting debris that endanger the wildlife.</p>	<p>WILDLIFE:</p> <p>Elephant and Lion Conservation and Anti-poaching</p>
<p>METAL CUPS AND BOWLS</p>	<p>IDENTIFY AND MONITOR: LITTLE & FOREST CHEM CHEM</p> <p>Home to some of the largest remaining tuskers in Tanzania. Accompany us on daily monitoring and identifying of these elephants in the WMA.</p>	<p>COMMUNITY:</p> <p>Education, job creation, human-wildlife conflict prevention, and creating awareness of the value of wildlife for the community</p>
<p>REUSABLE WATER BOTTLES</p>	<p>EDUCATE: CHEM CHEM LODGE</p> <p>Visit the local school, a highlight for many, to meet the children and teachers, join a soccer match or teach a math, geographic or English lesson. Pre-arrange to donate some school supplies, or to paint, clean or assist with maintenance at the school.</p>	<p>DONATIONS:</p> <p>Every donation matters, large and small. You can make a payment directly to the Chem Chem Association bank account which is tax deductible in the USA. For direct bank deposits, please use the banking details below.</p>
<p>COMPUTER HARDWARE/SOFTWARE:</p> <p>Solar-powered working laptops</p>	<p>INTERACT AND CONNECT: ALL CAMPS</p> <p>Surrounded by community villages, meet with the elders and learn more about life as Maasai in Tanzania. Pre-arrange to get involved by donating a boma* and building it in the village (*Enclosures: to protect families, livestock and crops - Cost US\$ 500).</p>	<p>'TAKE ON A TUSKER'</p> <p>US\$ 5 000 per annum foster program through IDs and monitoring of invaluable data</p> <p>Or stay involved by assisting with any of the below items on our WISH LIST</p>
<p>SPORTS/OUTDOOR ACTIVITY:</p> <p>Inflation pumps, jump ropes, soccer balls, team uniforms and tennis balls</p>		
<p>CLOTHING/SHOES:</p> <p>New or gently used children's clothing and shoes</p>		
<p>FIRST AID/HEALTH:</p> <p>Antibiotic ointments and band-aids</p>
