

# PORT BOATHOUSE – FLOOR PLAN

Size: 154 sqm

3 Bedrooms

Sleeps 6

Port is made up of three bedrooms, 2 main ensuite with lagoon views on each side of the living areas (of which one is semi-detached), and a 3rd smaller twin bedroom with separate bathroom. The house is ideally suited to a family, or friends if you don't mind a coin toss to see who gets the master suite.

The snug can accommodate 2 additional children under 13 years, on sofa beds.

An open plan lounge, dining and kitchen with vaulted ceiling adds to the airy and spacious charm that flows seamlessly out to the lawn, fynbos and lagoon beyond. A wood burning fireplace completes the atmosphere for the chillier nights in winter.

All Boathouses have access to a shared swimming pool.
