Weather

With little fluctuation in temperatures, the Masai Mara is a fabulous year-round destination aside from April – May when Sala's Camp closes for the rainy season. The higher altitude does mean the mornings and nights can be quite cold no matter the season, so don't forget your layers.

JANUARY – MARCH

12 - 28 °C | 54 - 82 °F

The dry spell between the long and short rains. Scattered showers begin in March. Great time of year for elephant sightings.

JULY – SEPTEMBER

11 - 27 °C | 52 - 81 °F

Chilly mornings and evenings, lovely warm days, and the full swing of the migration with river crossings.

APRIL – JUNE

12 - 26 °C | 54 - 79 °F

The camp closes due to the long, heavy rains. June brings drier days, and the Migration may begin to arrive.

OCTOBER – DECEMBER

11 - 28 °C | 52 - 82 °F

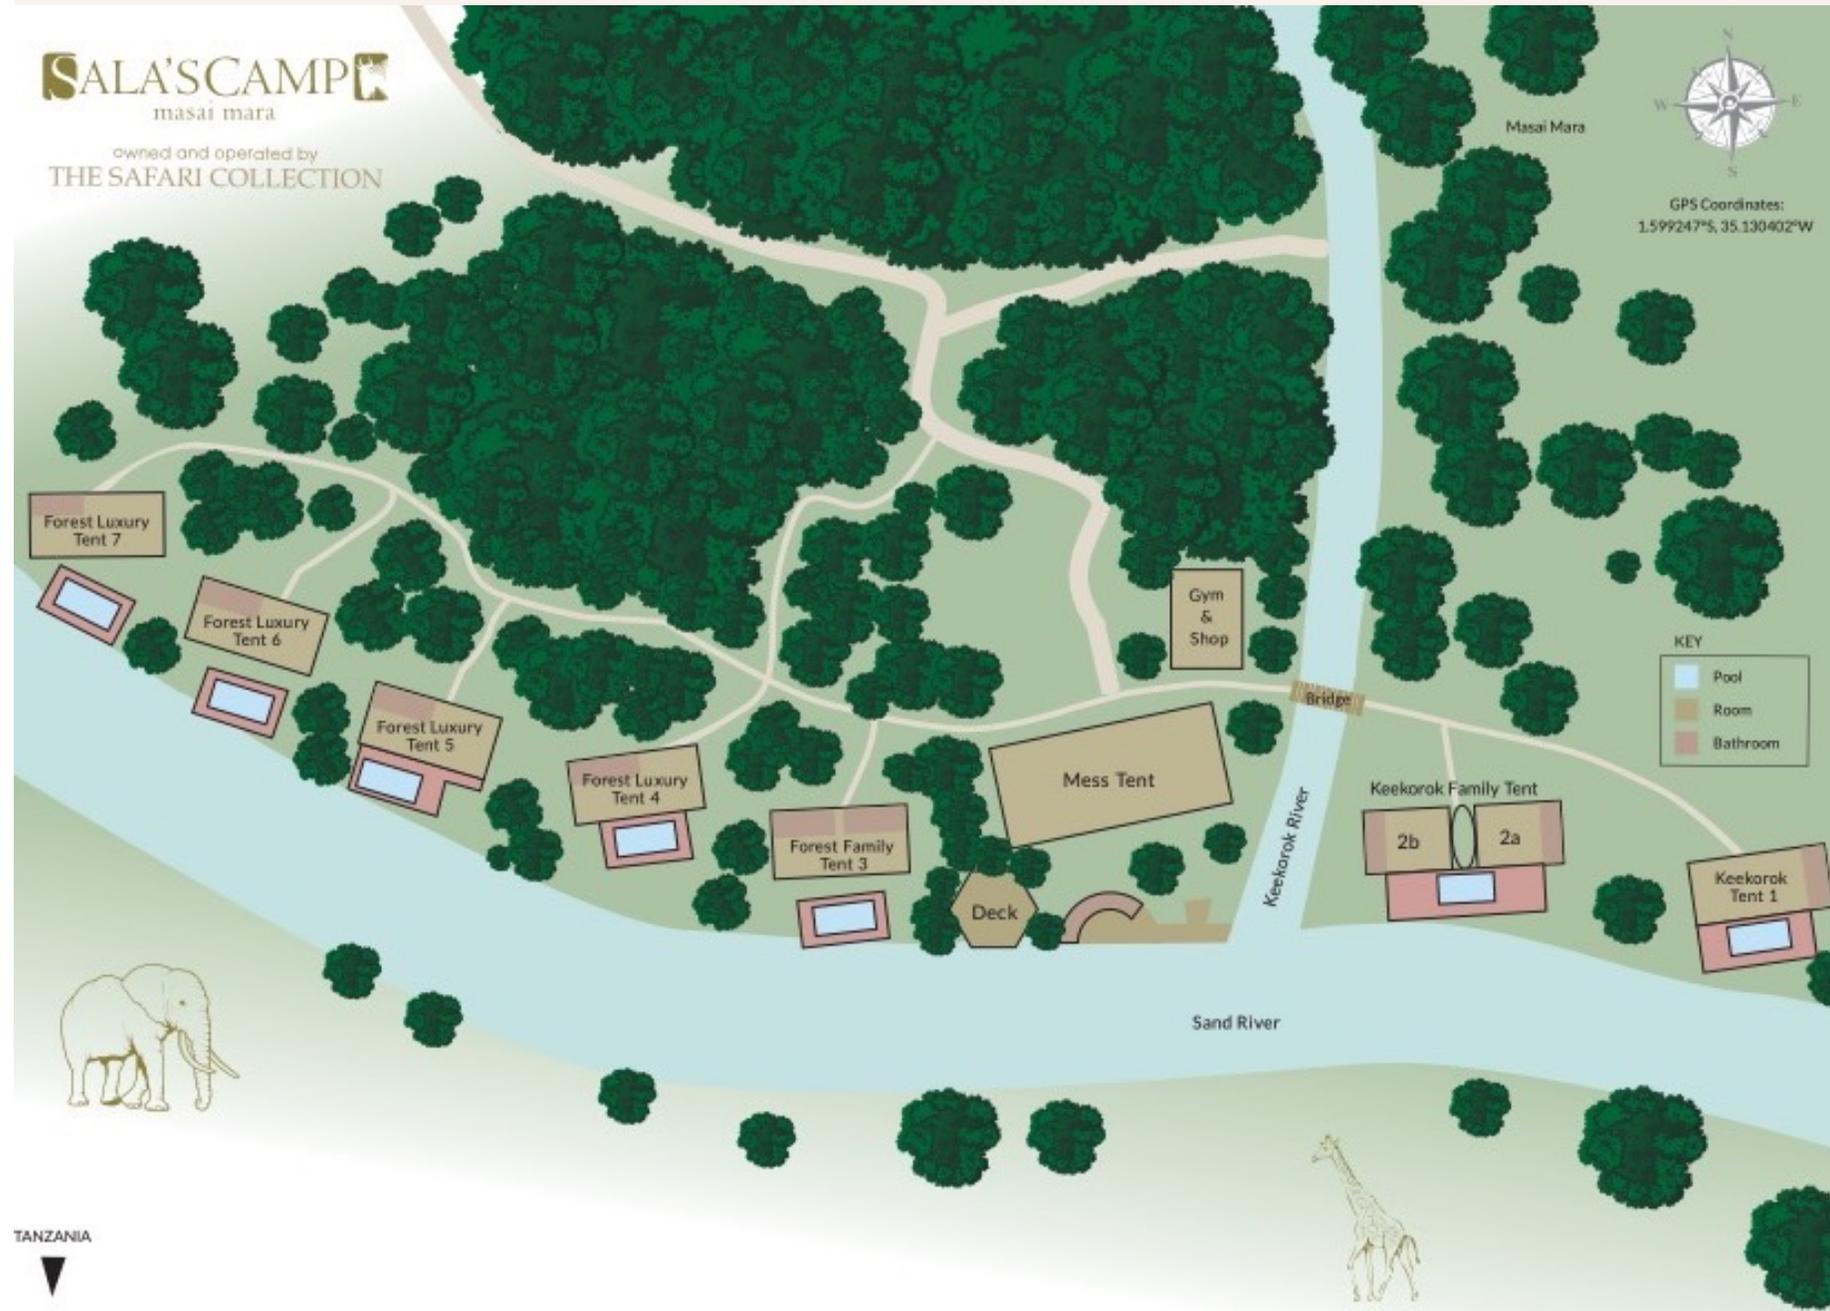

Short rains with scattered showers that shouldn't interrupt activities. The landscape begins to turn lush & green.

TENT DESCRIPTION:

KEEKOROK FAMILY TENT X 1

The elegant Keekorok Family Tent features two sleeping areas, each equipped with its own en-suite bathroom. The two en-suite bedrooms can be configured as doubles or twins. The central lounge area includes a sofa bed and can be transformed into a third bedroom, allowing for a maximum accommodation of six guests.

Each room is basically identical, so two couples can happily stay here. The larger veranda provides the perfect outdoor setting, complete with a private plunge pool, sunken seating area, a hammock, and views over the convergence of the Keekorok and Sand Rivers.

FOREST FAMILY TENT X 1

The elegant Forest Family Tent boasts two sleeping areas, each with its own en-suite bathroom. After a day of adventure, guests can unwind on the riverside deck or take a dip in the private plunge pool.

With the flexibility to configure beds as doubles or twins, this tent accommodates up to five guests with the option of an additional bed. While offering limited privacy between rooms, these suites are ideally suited for families rather than couples.

FOREST TENT X 4 & KEEKOROK TENT X 1

The canvas tents are spacious and comfortable and all have beautiful wilderness vistas. The interiors are contemporary and serene, and all tents have en-suite bathrooms complete with hot showers, a bathtub, and full running water. Unwind on the riverside deck or take a refreshing dip in the private plunge pool. With options for double or twin beds and space for an additional child bed, these suites cater to every guest's needs.

The Keekorok Tent is the furthest from the main area and is accessed via a footbridge over the Keekorok River and is thus the ideal tent for honeymooners.

Based on the following 4 considerations we look at the positive impact that each guest is making by staying here:

- **Transferability:** What percentage of the daily rates is allocated to conservation and community initiatives?
- **Removability:** What impact would arise if the property were absent? Are there alternative lodges in the vicinity that continue to make positive contributions?
- **Responsibility:** To what extent does the property handle management privately, and how much is overseen as a concession under a collaborative arrangement?
- **Fragility:** How vulnerable is the surrounding environment and community?
