LOCATION & ACCESS

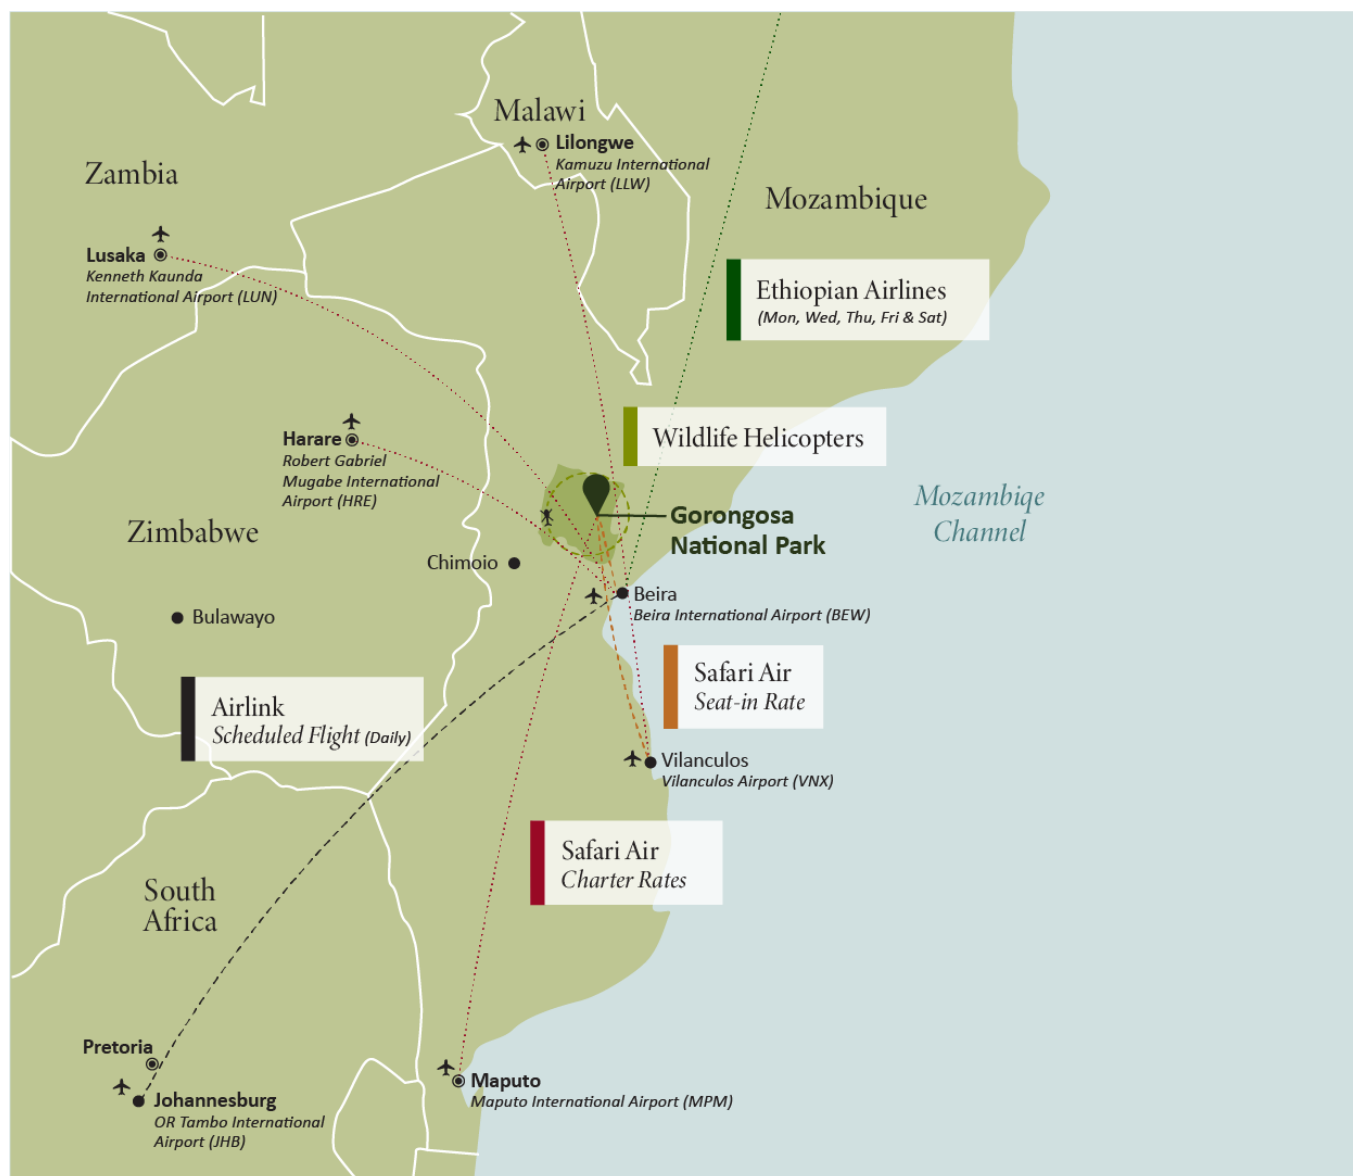

Reaching Gorongosa National Park is now easier than ever, unlocking access to one of Africa's most remarkable conservation success stories. Located in central Mozambique, the park is well-connected by air. International flights arrive in Beira, Mozambique's second-largest city, which is just 35 minutes from Gorongosa by light aircraft. On Mondays, Wednesdays and Fridays scheduled flights run between Beira and Gorongosa, and charter flights are available on other days. In addition, a newly introduced scheduled flight connects Beira with Vilanculos, making it effortless to pair a safari in Gorongosa with the pristine beaches of Mozambique.
