

SONGA AND NYASI RELOCATION CHEAT SHEET

In an effort to ensure that our camps' locations offer the best possible guest experience throughout the year, we've made the below amendments to two of our tented camps, Nyasi and Songa.

NYASI TENTED CAMP: now a settled tented camp located in the Lamai Wedge in the northern Serengeti.

SONGA MIGRATIONAL CAMP: now a migrational camp moving twice yearly between the northern and southern Serengeti.

To help our partners, we've compiled the below tables to highlight Songa and Nyasi's opening and closing dates for 2024 and 2025. We trust that this will assist in simplifying your safari planning. Should you have any further questions, please don't hesitate to email us at reservations@legendaryexpeditions.co.tz
