## MAIN & PRIVATE CAMP

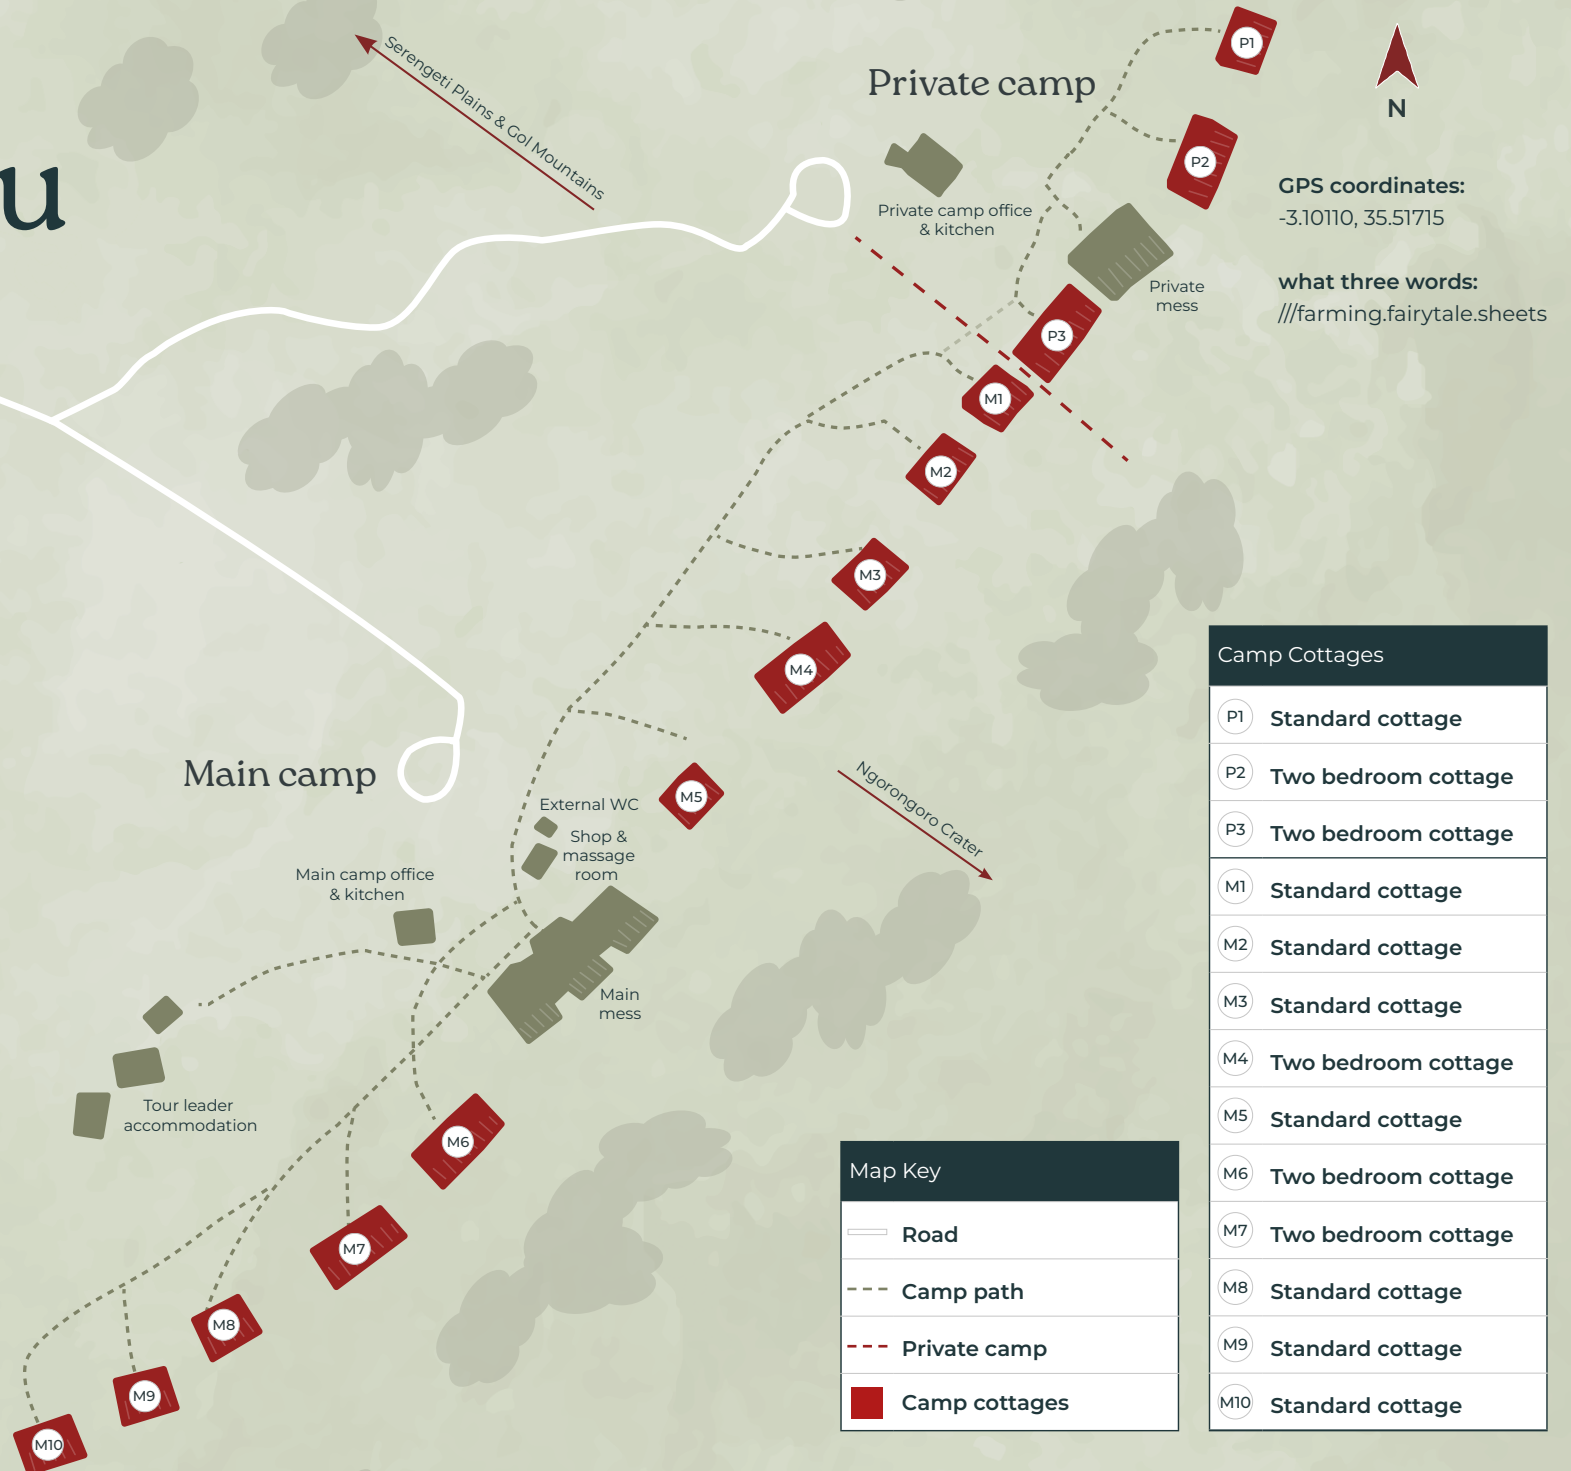

### Points to note

Cottages M5 and M6 are best for guests with mobility issues - PLEASE inform us if your guests need these rooms.

Please note that we can only guarantee a specific room if the request is based on mobility issues or for families.

If you have a larger group than our private camp can accommodate, we can use M1 as part of private camp for exclusive use.

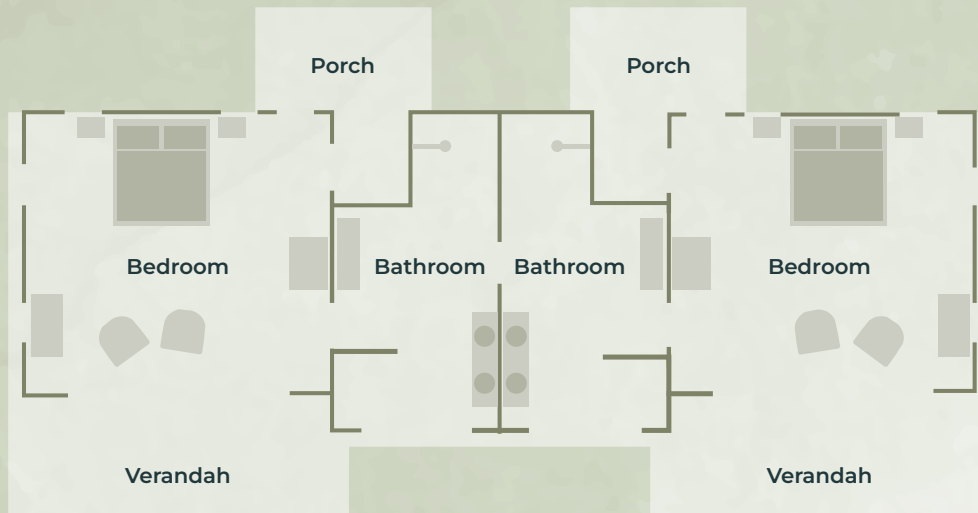

This camp layout is not to scale.

COTTAGE LAYOUT
